To whom it may concern,

It is a pleasure to write a letter of recommendation for Dennis Frayne. His musicianship, teaching and leadership skills have been central to the success of music and performing arts students this past school year at Whitmore Charter School.

In addition to teaching all types of music, Mr. Frayne prepared students for live performances. As conductor and sound engineer Mr. Frayne was a key to the great success of all the many student productions. He also played piano when needed. He accompanied the school production of *Oliver!* on the piano. He is popular with students, highly respected and known to help students achieve their best.

At Whitmore Charter School the fine arts teachers meet regularly and collaborate. As the art teacher, I met regularly with the fine arts team. Mr. Frayne was always articulate and outspoken with good ideas, which he was able to follow through on. He is very thoughtful and dependable. He is an energetic, talented and dedicated educator whom I often saw on campus very early in the morning and also late into evening.

Whitmore Charter School has benefitted from the intelligence and talents of Mr. Frayne. I wholeheartedly recommend him.

Sincerely,

Rosemarie Sturgill
WCS Art Teacher
